**Step 4.** That's it you have created your SendGrid account and got access to dashboard

The screenshot shows the SendGrid dashboard for user Fairose Parveen. The left sidebar contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. The main content area features a welcome message 'Welcome, Fairose!' and a guide to get up and running quickly. A prominent blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, a section titled 'Send your first email' offers two primary methods: 'Integrate using our Web API or SMTP Relay' and 'Build and send using Marketing Campaigns'. The first method is described as 'Easily send API-driven email from your application.' The second method is described as 'Build engaging email marketing campaigns that deliver results.'

**Output:**

Send Grid account created successfully.
